It is with great pride and pleasure that I wish you much success as you now begin your careers in business.

You, along with the Gibbs graduates that have gone before you, are both the makers and receivers of a rare tradition -- a tradition which blends drive, determination, and confidence in one's own abilities -- the hallmarks of the Gibbs style. As an alumnae, it is now your responsibility to carry on this tradition.

You have studied and worked hard, and this in itself is an accomplishment to take pride in. But remember your Gibbs education is only your foundation -- a solid beginning upon which to build. Remember to take pride in all you do. Do it as best you can and your goals will know no limits.

Congratulations! My sincere wishes for happiness, health, and success go with you.

Dear Students:

We are proud of you! You are now joining a select group of people who have graduated from an educational institution that has a unique heritage and reputation. The essence of Katharine Gibbs School is the faculty, the students, and the graduates. You are the school, and the quality of the school's reputation will depend upon the work that you do when you leave us. In a way, you will never leave us because we will continue to offer you placement assistance and we will always be interested in learning about your progress and success.

Just today we received a letter from a former student who graduated ten years ago. She is the national sales manager for a large radio station. She writes, "The Katharine Gibbs name--combined with the skills I was taught--has opened many doors for me. My last few jobs have not been of a secretarial nature, yet I find myself doing my own typing most of the time. I developed standards that not many people can live up to."

You now join 75,000 Gibbs graduates with skills and standards. Use them well.

Sincerely,

Phyllis Lary

Phyllis Lary
Director

Frank Brown
Associate Director

Congratulations on a job well done. Now that you know what it means to be the best that you can be, go into the world knowing that what you have studied with us will serve you well.

You leave us with state-of-the-art skills for current business, but the needs of business and industry will continually change. You will need to keep your skills current and pursue a lifelong course of professional development.

At Gibbs you not only learned skills, but you also learned how to learn. Continue the learning process throughout life, and remember that we will always be here to help you.

Rose A. Doherty
Academic Dean

Since 1911 Katharine Gibbs School has maintained a reputation for excellence in preparing its students to meet the challenges of the business world. The school is proud of the fact that its graduates have found rewarding business careers not only in the United States but also in countries worldwide.

As graduates, you are now members of that elite group. Your time at Katharine Gibbs School has been one of learning and growing. You have reached an important milestone in your life. You now have the ability and confidence to achieve your goals successfully in any career choice.

I am very proud of each of you and wish you continued success and happiness.

Catherine E. Duggan
Dean of Student Affairs and Chairperson
of Continuing Education

I am very proud of each one of you. You have worked hard to become the very best that you can be, and you should be proud of your individual accomplishments. You have learned, and you have grown as individuals and professionals.

Dream wonderful dreams, and never settle for less than the best--in work, in play, in love, and in life. Remember that you can be the person you want to be by being that person. I wish you all love in your lives, success in your work, and happiness today, tomorrow, and always.

Helen Katzen
Assistant Dean of Secretarial Studies

So many times over the past thirty years, Miss Helen Katzen has said the following words to graduating students: "Remember, we will not forget you, so don't you forget us!" Miss Katzen's words are as memorable as Miss Katzen herself.

A remarkable teacher and expert assistant dean, Miss Katzen is the epitome of the Katharine Gibbs tradition of excellence. Over the years Miss Katzen has been recognized as an outstanding teacher not only by her students but also by several regional and national business education organizations and the Association of Independent Colleges and Schools. Those of us who have had the opportunity to work with Miss Katzen have benefited from her knowledge and guidance.

As Miss Katzen retires to a well-deserved life of family and leisure, the students, faculty, and staff of Katharine Gibbs School say to her "Remember, Miss Katzen, we will not forget you, so don't you forget us!"

1988 Snowball

On January 30, 1988, the Katharine Gibbs Annual Semi-Formal was held at the Westin Hotel. Over 150 of our students and their friends attended. A dee jay played the music that kept everyone dancing until late in the evening. As you can see, a great time was had by all!
